MEMORANDUM FOR: General Counsel

ATTENTION:

SUBJECT: Approval for Retroactive Promotions

25X1A

1. Attached hereto are three personnel folders on [REDACTED] These three employees were hired for the Paramilitary Program. In accordance with agreements with OPC and PDC, these individuals should have been promoted from GS-5 to GS-7, effective 6 January 1952, along with the other members of the same class who were promoted on that date. Arrangements have been made that each Branch would submit their promotions at the same time. This was done for all of the other members of the class who have successfully completed the training program; however, these three individuals were in the process of being transferred from EE/OPC to SR/SO under the consolidation, and the new Branch had not been informed of these provisions.

25X1A

2. As stated in [REDACTED] memorandum (copy attached), it is definitely an injustice to these employees as all three have successfully completed their required training to be eligible for promotion at that time.

3. Your concurrence in approving these retroactive promotions is requested.
